No 3786-95-101, dy 1st September 1887

Order - Under the authority of Rule XVII of the Survey Garauntee as revised by Notification No 341, dy 11th February 1875, a levy of 1/17th of the Survey valuation of all wet lands in Inam villages is made under the designation of "Equivalent of the Irrigation Cess". This levy has been the subject of complaint generally on the part of Inamdars who urge that it is unjust, inasmuch as the lands in question derive no benefit from any Government source of irrigation. His Highness' Govt are of opinion that this complaint is well founded in the case of such Inamdars of whole villages as hold Inam wet lands irrigated exclusively from Inam tanks. The Govt accordingly sanction the abolition of this levy. But in sanctioning this measure, the Govt desire to impress upon all Inamdars who benefit by it that their responsibility for the execution of timely repairs to their tanks and for the maintenance of them always in proper condition will be strictly enforced. If they fail in this duty, the necessary work will be executed

by Government and the cost recovered from the Inamdars as a revenue demand.

2. In accordance with the above orders, the following Sections will be substituted for Sections XVII and XVIII of the Survey Guarantee:

XVII. The irrigation cess will similarly merge in the future Survey valuation of all wet lands held in inam whether in Government villages or in whole inam villages and 1/17th of such valuation will be collected similarly to a Jodi, but under the designation of "Equivalent of the Irrigation Cess", separately from and in addition to, the quit-rent leviable on such lands or villages and be carried to the account of the "District Irrigation Fund". But such wet lands in whole inam villages as may derive their irrigation exclusively from a tank or other source of irrigation situated wholly within such villages shall not be liable to pay any irrigation cess or the equivalent thereof to the Govt.

Provided that, for the purpose of fixing

the amount of Irrigation cess, the Survey Department shall ascertain and record the assessment of such wet lands in inam villages as may be irrigated by a Govt. irrigation work. And provided further that the Survey valuation of all inam or other wet lands shall include any separate water rate which may be imposed thereon.

M.

3/7/10

PF 84-99

Pre-note

Pet^n no 2312 of 1899-91

Pet^r — Kondi Narayanachar
Behur

Last reference — Survey Supt's
docket-no 780
d 17/5/00

In the above petition, the pet^r complained that irrigation cess was levied on his minor Inam Land situated in Gori Channanahalli village and irrigated by the gori tank, and prayed for being exempted from the levy of the same.

The pet^n was sent to the D Court for ~~report~~ disposal & report if necessary

(2). As the petitioner continues to send reminder petitions

the Dy Comr was in his
Spl no 376 of 19/9/93 |
directed to submit a
copy of the ent- which
might be given by the
Dy Comr to the petr
In his letr of 26/5/99 |
which was a reply to
the above reference, the
Dy Comr reported that
the petrs wet-Land (drain)
was irrigated by an
drain tank & recommended
the foregoing of the
levy of the cess.
(3) The San. Supt-'s opinion
having been invited
on the above & he having
been requested to state if
there were other cases
resembling the petrs'

that Officer reports that there are no other lands similarly paying irrigation cess and opines that under the peculiar circumstances of the case the levy of the irrigation cess may be foregone.

(4). The rules regulating the levy of irrigation cess on dry lands (wet) are contained in G.O. 1/9/87, a[x] copy of an extract from which is put up. The revised Sec[n] XVII of the Survey guarantees as therein given makes it perfectly clear that no irrigation cess is leviable in the pet[y] case.

There was no necessity

[x] A manuscript copy is put up because no printed copy was available for the Govt Records on a previous occasion. Nor was I able to get the correspondence connected with the order.

for the D Comm^r to make a reference in this case and the fact that he has made one instead of foregoing the ces under the rule above quoted seems to show that the local rev officers are not familiar with the Standing order in Question

The Rev Manual of 1886 is thoroughly out of date as well as out of print

57. In the remainder petn presented by the petn, reference is made to two other matters

(a) Levy of assessment on the excess in his income

(b) Levy of quit-rent of 1908 more than equal to the ~~allowance~~ Surtax on his income his valuation

The D Comm^r has not reported

on these matters and it is not possible to pass orders on these until full details are furnished.

3/7/00

The Immigration officer who opposed Khanchen should be remitted as recommended by the S. Supt. Department may be called for and the other two deposed with the petition

7/9/P, 3.VIII.00

Delay more than 2 months scarcely necessary

Put up

7/8/00

Geo. Godley
9.8.00.

(6) The Deputy in his letter No. 430 dated 12-3-01 reported on the two other points (a) and (b) of para 5 of the note, as follows:-

i) Regards (a) levy of cost on the excess on his minor Inam, that the patta holds minor Inam Survey No. 17 of Bitturalli assessed at Rs. 24/-; that at the Inam Settlement a combined jodi and quit rent of Rs. 64/- was levied on this minor Inam; that on the patta's contention about the excess viz. Rs. 24/- the question was finally settled reducing the jodi and Quit rent to Rs. 41/- in accordance with Govt. Pro: No. 10991-9 dated 9-1-94 R. 1194 and that the arrears of four years namely Rs. 87/- due to the patta from 1894-95 was remitted as ordered in Govt. Pro: No. 2804 dated 25.9.00. Thus the 1st point is disposed of. vide Reference pt. i

ii) Regards the second point viz. the levy of

Quit rent and Jodi more than the Survey valuation on his Inams, that the petr holds a portion of land in the Jodi village of Chamana-halli and Madavalli in the Belur Salute; that from the extract of the final Quit rent register (enclosed) it will be seen that the combined Jodi and Quit rent does not exceed the Survey valuation of the two said villages; that the contention of the petr is that the imposition of Quit rent and local cess on the Survey valuation is too heavy and that he prays that the Quit rent and cess may be charged on the former assessment or if that was not possible the Inams may be disenfranchised and the Quit rent struck off; and

12.

that the prayer of the petn does not state to reason as it reopens the question which has been once for all decided at the Inam Settlement.

(4). The Inam Supdt was to whom a copy of the above Declaration report was forwarded, reports that all the points have been settled and reported by the Declaration. The Inam registers of the two villages referred to have been forwarded by the Inam Supdt who states that there are no taram-patrks as these are whole Inam villages.

8/8/

I/ one of the points rep^d to in the petn viz. the grant in favour of the petn ordered are now

required only on
the 6th point.

Mr Dawson says
the petrs have no
grievance on the point
also. But I confess
I do not understand
what the petrs
grievance is & perhaps
he may be heard

9/5/02

Clerk will direct
in person at the next
Council meeting
for hearing appeals

17/5/1902

19/5/02

1 on the 2nd point

Before the Court of Mysore

Present:

C. Srinivasiengar Esq^r
and
Rao Bahadur C. Madiah Esq^r

Petition No 2312 of 1890-91

Petitioner — Kondi Ramachar.

Subject

Complaint regarding levy of excessive assessment and local cess on his Jodi village of Channanhalli and Madavalli, Belur Taluk.

Facts of the case.

In his petition referred to above, the petr complained that the levy of irrigation cess on his minor inam land (A 9 / 2 - 23, Jodi No 13) in Jodi Channanhalli village was unjustifiable, as the land was irrigated from an inam tank situated within the Jodi village. In his subsequent petitions, the petr also

complained of the levy of Jodi and quit-rents more than equal to the Survey valuation on his minor inam (R. No 17) in Bittinvalli village, Belur taluk and of the levy of excessive quit-rent and local cess on his Jodi villages. The first two complaints have been disposed of in Proc. No 1446-7 / 784-99 dt 16-8-00 and No 2804 / R. 272 dt 25-9-00, the irrigation cess having been remitted under Govt Proc. No 3786-96 / R 101 dt 1-9-87 in the one case and the combined quit-rent being reduced to the Survey valuation in the other case under Govt Proc. No 10991-9 / R-1194 dt 9-1-94.

Decision

In the matter of two of petitioner's requests, orders have already been passed. As remaining

complaint is that the
Quit-rent imposed by the
Irrigation Dept^t on his Godi
village is Excessive. His
contention is clearly
inadmissible. His appeal
so far as it relates to
this item of complaints
is rejected.
